### **Forward-looking Statements**

Statements in Exhibit 99.1 to this Current Report on Form 8-K may be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate", "believe", "estimate", "expect", "intend" and similar expressions, as they relate to Terra Tech Corp. (the "Company") or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the Company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in the Company's filings with the Securities and Exchange Commission. In addition, such statements could be affected by risks and uncertainties related to: (i) our ability to integrate Black Oak Gallery, a California corporation, into the Company's operations, (ii) product demand, market, and customer acceptance of the Company's products, (iii) the Company's ability to obtain financing to expand our operations, (iv) the Company's ability to attract qualified sales representatives, (v) competition, pricing and development difficulties, (vi) the Company's ability to conduct the business of IVXX, Inc., the contemplated businesses of MediFarm, LLC, MediFarm I, LLC, and MediFarm II, LLC, if there are changes in laws, regulations, or government policies related to cannabis, (vii) the Company's ability to conduct operations if disease, insects, or mites affect Edible Garden Corp.'s produce, herbs, and floral products, and (viii) general industry and market conditions and growth rates and general economic conditions. Any forward-looking statements speak only as of the date on which they are made, and the Company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of Form 8-K.

#### **Item 7.01 Regulation FD Disclosure.**

On November 1, 2018, Terra Tech Corp. (the "Company") issued a press release announcing that it has made a \$5 million investment in Hydrofarm Holdings Group, Inc. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The information contained in this Item 7.01, and in Exhibit 99.1, referenced herein is being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act or incorporated by reference in any filing under the Securities Act, unless the Company expressly so incorporates such information by reference.

#### **Item 9.01 Financial Statements and Exhibits.**

### **Terra Tech Corp. Makes Strategic Investment in Leading Hydroponics Provider**

IRVINE, Calif. November 1, 2018 -- Terra Tech Corp. (OTCQX: TRTC), (“Terra Tech” or the “Company”) a vertically integrated cannabis-focused agriculture company, is pleased to announce that it has made a \$5 million investment in Hydrofarm Holdings Group, Inc. (“Hydrofarm”). Hydrofarm was founded in 1977 and is based in Petaluma, California with ~300 employees globally. It is one of the leading independent providers of hydroponics products in North America and recorded over \$250 million in revenues in 2017.

This strategic investment provides Terra Tech with an ownership stake in the longest standing specialty indoor garden wholesaler in the U.S. The Company also expects to leverage this relationship to drive down its capital equipment and cultivation input costs. Hydrofarm offers a full spectrum of hydroponics products, including approximately 5,000+ SKUs, and 1,000+ proprietary SKUs (25+ proprietary brands). It serves 1,700+ customers through brick-and-mortar, eCommerce, and commercial wholesale channels via nine distributions centers across North America.

Through this funding round Hydrofarm has raised a total of \$55 million, of which Terra Tech contributed \$5 million. The capital will be used by Hydrofarm to expand market share as end market demand increases as a result of adult-use cannabis legalization efforts led by California and Canada and the continued expansion of cannabis for medicinal purposes.

“This investment provides our shareholders with access to, what we believe, is the largest independent hydroponic growing equipment and supply distributor in the U.S.,” Derek Peterson, CEO of Terra Tech, stated. “Hydrofarm has a stable business model and generates significant revenues from its broad customer base, which covers 1,500+ retailers. The hydroponics equipment and supplies industry is growing rapidly and we believe that Hydrofarm holds significant upside potential. As a result of the capital injection, it is well-positioned to expand its leading position both in the U.S. and Canada through both organic growth initiatives and its M&A strategy. Moreover, this strategic investment in a leading provider of hydroponics equipment provides synergistic benefits to Terra Tech and is expected to enable us to improve our supply chain and bring down our capital equipment costs.”

Hydrofarm is one of the two major consolidators in the hydroponics equipment and supplies industry. In November 2017, Hydrofarm acquired Eddi’s Wholesale and the distribution division of Greenstar Plant Products, Inc., the #1 and #2 Hydroponics and Lawn & Garden distributors in Canada, respectively. Hydrofarm believes numerous opportunities exist for further acquisitions in a fragmented market.

To be added to the Terra Tech email distribution list, please email [TRTC@kcsa.com](mailto:TRTC@kcsa.com) with TRTC in the subject line.
