Forward-looking Statements

Statements in Exhibit 99.1 to this Current Report on Form 8-K may be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate", "believe", "estimate", "expect", "intend" and similar expressions, as they relate to Terra Tech Corp. (the "Company") or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the Company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in the Company's filings with the Securities and Exchange Commission. In addition, such statements could be affected by risks and uncertainties related to: (i) our ability to integrate Black Oak Gallery, a California corporation, into the Company's operations, (ii) product demand, market, and customer acceptance of the Company's products, (iii) the Company's ability to obtain financing to expand our operations, (iv) the Company's ability to attract qualified sales representatives, (v) competition, pricing and development difficulties, (vi) the Company's ability to conduct the business of IVXX, Inc., the contemplated businesses of MediFarm, LLC, MediFarm I, LLC, and MediFarm II, LLC, if there are changes in laws, regulations, or government policies related to cannabis, (vii) the Company's ability to conduct operations if disease, insects, or mites affect Edible Garden Corp.'s produce, herbs, and floral products, and (viii) general industry and market conditions and growth rates and general economic conditions. Any forward-looking statements speak only as of the date on which they are made, and the Company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of Form 8-K.

Terra Tech to Host Grand Opening Ceremony of its Medical Cannabis Dispensary in San Leandro, CA
on January 11, 2019

Mayor Pauline Cutter to speak at ribbon cutting ceremony

Irvine, CA – January 03, 2019 - Terra Tech Corp. (TRTC) ("Terra Tech") or (the "Company"), a vertically integrated cannabis-focused agriculture company, today announced that Mayor Pauline Cutter of San Leandro, CA will speak at Terra Tech's grand opening of its Blüm San Leandro medical cannabis dispensary. The ribbon cutting ceremony will take place from 9:30 AM to 11:00 AM on January 11th, 2019 at the dispensary located at 1915 Fairway Drive San Leandro, CA, 94577.

Terra Tech's Blüm San Leandro dispensary will make history as the first medical dispensary to open its doors in San Leandro, a prominent suburb city of San Francisco and Oakland, centered in the dynamic San Francisco Bay Area. With a vibrant community of more than 89,000 residents, San Leandro is known for its well-maintained neighborhoods, excellent public libraries, twenty-one public parks, quality local schools, and a wide range of shopping, dining, and entertainment options. The City also encompasses a large industrial area that is home to an advanced manufacturing industry. The Company is also constructing an extraction facility in San Leandro, which it expects to open in early 2019.

Chief Executive Officer, Derek Peterson, said, "San Leandro will be a great location for Terra Tech's new medical cannabis dispensary as the city has proven to be an expanding hub of innovation and business. Having a dispensary up and running in San Leandro is the perfect way to start off 2019 by increasing Terra Tech's distribution channels in such a sought-after location. I will be speaking alongside Mayor Cutter at the event where I will touch upon the significance of this location and how it will help accelerate the growth of our company."

Mayor Cutter will follow Derek's opening speech with her remarks and will be accompanied by City Manager Jeff Kay, members of the City Council and other City Officials. Additionally, Terra Tech will be inviting local manufacturers and cultivators to attend the event.

The grand opening of Terra Tech's Blüm San Leandro medical cannabis dispensary is the result of a six-year process where the City Council ended up allowing only three dispensaries to be opened in San Leandro. Terra Tech's Blüm San Leandro location received a permit in 2015 and was subsequently issued a manufacturing permit in 2017. To be added to the Terra Tech email distribution list, please email TRTC@kcsa.com with TRTC in the subject line.
